

February was a meaningful month as we celebrated **Family Day** and reflected on what it means to live as God’s family. We were reminded that **love** starts with humility, blessings flow from obedience, and following Christ requires us to overcome worldly habits.

As we move forward, we continue to pray for hearts ready to serve and for more volunteers to strengthen our church community.

Reflection Questions:

- Where is God calling you to grow in humility and love right now?
- What next step can you take — in prayer or serving — to build up our church family?
